V.

Concord April 21/75

Sir

I am directed by a large Committee
of Congress appointed to consider the
State of the Province to decide
that the Selectmen of the Town of
Boston would give them their
company at this place as early
as possible tomorrow to confer
upon a Matter of the last impor-
tance to the Town of Providence

It is desired that the utmost
Secrecy may be kept of this Matter
& that the gentlemen to avoid any
Suspicion would leave the Town in
as private a manner as they can

Directed to the Selectmen
& Committee of Correspondence
mutatis &c
